122	10.1 (ERP OEM, letter head) [Date]	In case OEM is not submitting the bid directly please suggest if this covering letter should be submitted on our letter head on behalf of ?	Can be OEM or SI
123	10.2 technical proposal covering letter	Please suggest if this is mandatory as the technical proposal will be the part of 10.1 and other additional documents like TRS, FRS etc.	Yes, this is mandatory
115	9.8 IMPLEMENTATION EXPERIENCE	9.8 & 9.9 are the same please suggest if any one can be submitted	No, both are required
56	The ERP OEM's average annual turnover for the last three financial year i.e. 2012-13, 2013-14 & 2014-2015 should be minimum than INR 1500 crores from the software sales and Consulting. (CA certificate to be submitted for the same)	CA certificate is available till 2013-14. 2014-15 is under process with (OEM) and as per OEM, this can not be shared. Please suggest if this will be accepted. During the bid process whenever 2014-15 statement is ready and will submit accordingly through us. Hope this is fine for MPLUN.	For 2014-15, CA provisional certificate can be submitted.
147	Power of Attorney	In case OEM is not submitting the bid directly, please suggest if the POA will be submitted by us only.	Can be OEM or SI
143	Table C 2- The breakup of cost of implementation services - Implementation of e-procurement system	Per query response existing e-procurement and e-contract management system is to be integrated with proposed ERP solution and implementation of e-procurement system is not in scope. Please clarify	Correct
23	Integrating the ERP solution with digital signature or e-Sign	Understand digital signature / token will be arranged by MPLUN and SI's scope is limited to only integration of proposed ERP solution with digital signature or e-sign. As per the clarification for one point it is mentioned will be arranged by MPLUN and for other point it is mentioned cost for digital signature for manager and above level to be considered by System Integrator	Cost for digital signature for manager and above level have to be taken care by System Integrator
44	The SI will help to create Center of Excellence for operations management of the ERP solution at MPLUN, both for technical support and maintenance of the ERP solution	Understand SI's scope of work for CoE is limited to provide the sizing of all networking and system requirement and the hardware will be arranged by MPLUN	No, The SI will help to create CoE for operations management of the ERP solution at MPLUN, both for technical support and maintenance of the ERP
60	5.7 (OUTLINE FOR THE TECHNICAL PROPOSAL FOR THE PROJECT) point 1- 4	Section 10- 11 of RFP refers to technical format given in the form of letters. Please let us know can we address all these points shall be covered in our detailed solution under our technical solution proposal ?	Please refer whichever is required for technical proposal.
